PRAISE REPORTS | ANNIVERSARY | CELEBRATIONS

Welcome to April!

Dear JLCians, Golden Gaters, WOCians and Visitors,

There are 4 processes in this year's covenant. We have successfully completed the 1st process of the year, the Sprouting season. This falls on the 1st quarter of the year which is from the beginning of January to end of March.

We are now stepping into the 2nd quarter, the Budding season. In this season, you will move to the 2nd level. This move of God will anoint you, administer you, equip you and prepare you in the spirit to enhance to move up and move higher.

The rod of Aaron has two qualities:

1. It is alive
2. It is fruitful

I pray that you will start to resurrect your future as you were once dead but now you are alive and start to bear fruits in your life. We are also in the Feast of Passover. During these days, the manifestation of the blood of Jesus, the lamb of God will be applied all over you and your family. Jesus Christ is the Passover.

Finally, by the Grace of God, the main church, namely, Jesus Lives Church celebrates 35th Anniversary (1st April 1986- 1st April 2021). No matter whether a particular man or his family was assigned and appointed to establish this church, God is the main founder and He remains seated on the throne ruling and reigning over the church.

I, together with my team, wish everyone a Happy Blessed 35th Anniversary.

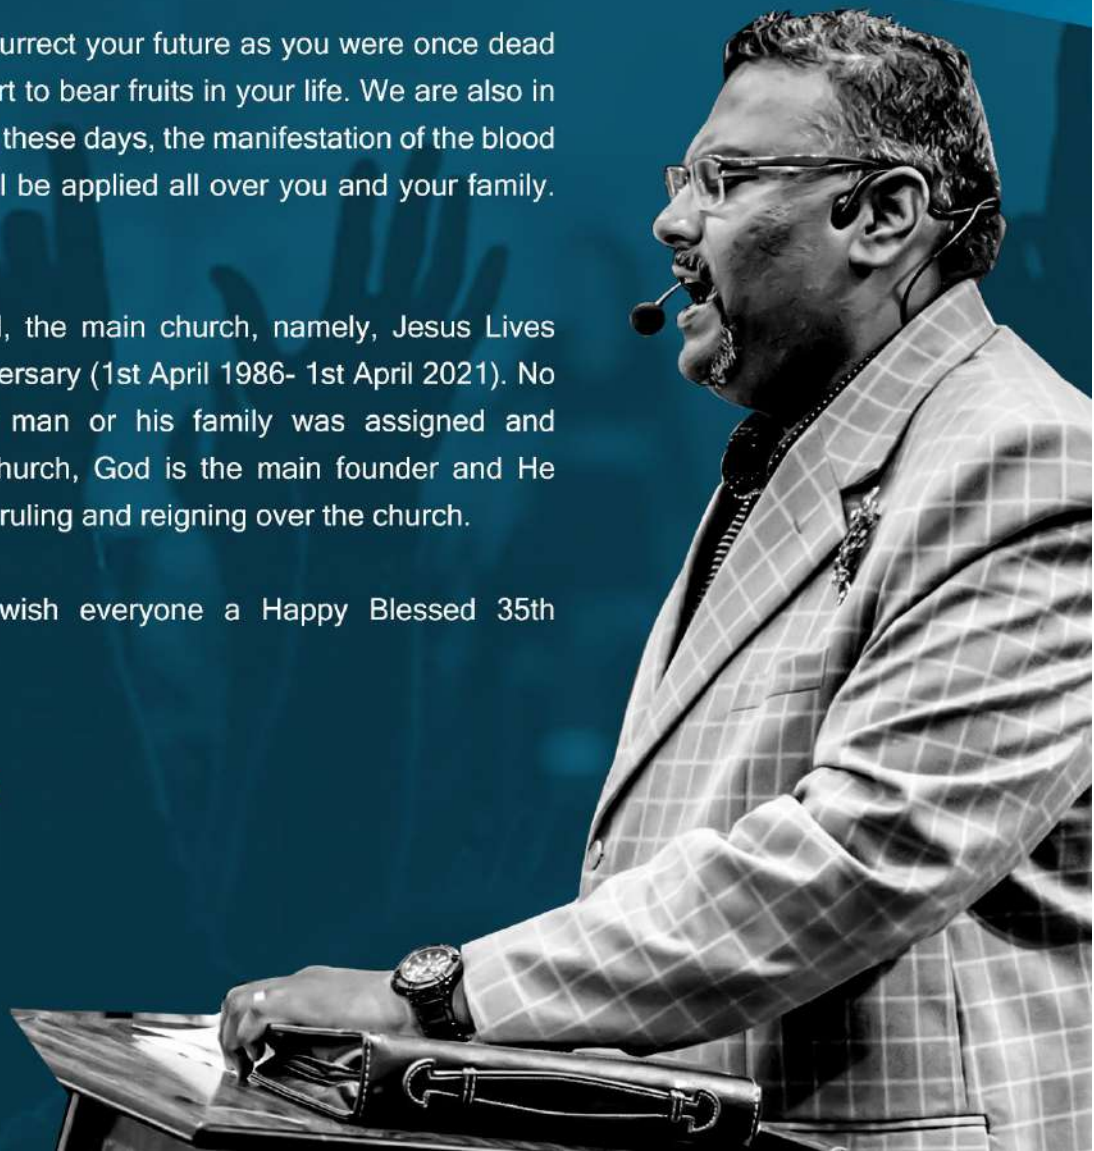

Your loving brother

Jonathan Suppaya

DISCIPLESHIP

TIP FROM

LEE GRADY

This week I'm preaching in Pennsylvania, so I invited a guy named Shannon to join me since he lives in nearby Ohio. I've had the honor of mentoring Shannon since 2013. When I go on a ministry trip I usually invite a disciple to go with me. Even though I love teaching from a pulpit, I love one-on-one mentoring more because it makes a bigger impact in a person's life. With discipleship, less is more!

This is Jesus' model. Mark 3:14 says He appointed the twelve "so that they would be with Him and that He could send them out to preach." The few were His priority, and He wanted a genuine relationship with them. They ate, laughed, traveled and fished with Jesus—plus they got a front-row seat for His teachings. They saw His miracles up close, but they also heard Him cry when Lazarus died. Be a relational mentor. Take off your superhero cape, include your disciples in your life and let them learn from your imperfect example.

J. Lee Grady was editor of Charisma for 11 years before he launched into full-time ministry in 2010. Today he directs The Mordecai Project, a Christian charitable organization that is taking the healing of Jesus to women and girls who suffer abuse and culture oppression. Author of several books including *10 Lies of Church Tells Women*, he has just released his newest book, *Set my heart on Fire*, from Charisma house. JESUS LIVES - WOODLANDS OUTREACH CHURCH 2ND YEAR ANNIVERSARY

Hi Everyone! Glory to God! Jesus Lives Woodlands Outreach Church (WOC) celebrated its 2nd Anniversary on 24th January 2021. Though it was a Pandemic year, God's Pandemic glory was honored and worshiped with 100 invited guests. We accommodated the WEFC's Hebron auditorium with 2 zones of 50 people. We had the Senior Pastor of Woodlands Evangelical Free Church (WEFC) Pastor Lim Kee Oon who also attended the occasion with all our Pastors and saints from Jesus Lives Church. Live worship was observed after a long gap and all were dressed beautifully at his throne. Food was bento take away and everyone was given goodie bags to take back home. Children were treated to kid's meal from MacDonalds and special activities were organised for them. The mission statement for WOC was released at our Anniversary, which is 'Mission 201'. This mission is about reaching out to the residents around Woodlands & the North and the church to grow to 201 people by the end of this year.

Saints at WOC has been working hard in the last 2 years to spread the good news of Jesus to people in the north by knocking doors, send mailers, street tracting, phone calls, personal invitation and many more. We are just focused to do the great commission. Our JLC pastors have been teaching the congregation with the word and encouraging them to establish this good work. Saints from JLC Hq have also been supportive to us for the take- off in the early days and still maintaining that. Looking back, 2 years is a short period of time and the journey ahead is filled with many more good works to be done for the glory of our God and for his Kingdom expansion. Let's do it!! Wishing all at WOC a very happy 2nd Anniversary and many more Good years ahead!!

God Bless.

GOLDEN GATE CITY CENTRE 2ND ANNIVERSARY AND CHINESE NEW YEAR CELEBRATION ON 6TH FEBRUARY 2021

CNY CELEBRATION

at The Crown on 14th February 2021

Heaven rejoiced on the 27th of February 2021. 8 members from our church were baptised in the waters off Sembawang Beach.

By having their Baptism, they declared that they are a follower of Jesus Christ. It is a public confession of their faith in, and commitment to, Jesus Christ. It is the next step after salvation through repentance and faith and is an important foundation for Christian life.

Delayed by the global pandemic in 2020, the church conducted the baptism with safe management measures put in place. Instead of the whole group gathering together, they were dispatched in batches to the place where the baptism was conducted. Their family members were also present to witness a significant event in the life of their loved ones.

The church is targeting to have another round of baptism this year as they are already many in queue to be baptised. God is performing wonders in our church. Let's stay United and guide the new believers to Jesus Lives Family.

FINANCIAL *Prosperity*

All glory to God,

I am sharing my testimony on how Jesus has blessed me with financial prosperity.

I have always been financially blessed by God after I joined Jesus Lives Church. Before that, I was in a lot of debt and came to a point where I had completely lost my prosperity. That's was the time God reached out to me through Apostle Jonathan Suppaya. He brought blessings and anointing of the Holy Spirit more in my life. He also taught the power of God's Word and that a Giving lifestyle will help us prosper.

Last month I was struggling to look for a room for rent in Singapore when I did not even have a proper financial backup plan. I shared my situation with Pastor and asked him to pray about it. He encourage me by word of God about sowing and reaping the harvest. After a week, everything in my life started to change. Pastor & Bro. Alvin found a room within my budget before the deadline. Hallelujah !! I really Thank God for Everything He has done for me in that situation. I am visualizing my harvest, especially God's financial favor. I just sowed the Word and started praying. By God's grace, I have reaped my harvest in Jesus in 100 folds and received financial favor from Jesus. Now my financial blessings literally started growing back.

Praise and all honor and glory to Jesus Christ. Amen.

Testimony

This is a long overdue Testimony to Thank the Lord Jesus Christ for being Faithful even through the days when I was not. His Divine Protection and Provision has been on our Family throughout COVID-19. Even as I had to go to work at the hospital and there was the initial fear of the virus, God was so Good to keep me safe from harm and watch over the kids who were alone with our helper.

God has been so good to me at work. This year the Nutrition and Dietetics Department bagged two awards at our Quality Day; Winner of the Project with the Most Innovation and second runner up for Project with Most Savings. All Glory to Jesus who has provided me

with a Diligent Team of Dietitians and given me Wisdom and Heart to lead them.

Spiritually, the highlight of the year for me has to be my Baptism on 27th Feb 2021. I had been praying and asking God for the past 2 years and unfortunately COVID-19 made it an impossibility. Thank you to the Pastors at Jesus Lives Church for allowing me to be Baptized and granting me my heart's desire. It's has been an incredible journey with Jesus and I'm looking forward to serving Him every day in every way I can!

OUR VISION

In the month of April 2016, the Lord renewed the vision of the Church during one of my prayer time. I was in tears on the loss of my dear father, worried about the new responsibility upon me, the expectation of the people I serve and the new role as the Senior Pastor.

The Lord blessed me with a verse from Isaiah 41:10, *"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."*

*The Holy Spirit inspired me very strongly and out came the new Vision:
We are to be a biblically functioning community of growing believers.*
