JS SPEAKS

Welcome to the Year 2021. Thanks to Christmas, we all end the year with new things, new toys for the kids, new clothes and new pounds on our bodies. We start the year off with new things, a new calendar on the wall, new bills, new resolutions for the days ahead. Everybody likes new things, including God. He's called the Ancient of Days, and He says,

"Forget the former things; do not dwell on the past. See, I am doing a new thing! Now it springs up; do you not perceive it? I am making a way in the wilderness and streams in the wasteland." (Isaiah 43:18-19)

Spring Up means to appear, arise, or become available very suddenly. I strongly advise the Church, do not remember the past and forget the former things. New things are ready and assigned for you. This year the Lord told me in my 10 Days Fasting Prayer that it will **SPRING UP NOW**.

This year will be divided into 4 parts or 4 terms.

- 1. JANUARY TO MARCH**
- 2. APRIL TO JUNE**
- 3. JULY TO SEPTEMBER**
- 4. OCTOBER TO DECEMBER**

The Holy Spirit gave me 4 Processes of Blessings in Your Life or 4 Levels of Increase and Growth from the story of Aaron's Rod (Numbers 17:1-11).

- 1. SPROUTED**
- 2. BLOSSOMED**
- 3. BUDDED**
- 4. PRODUCED**

Every 3 months, there will be a change in your spiritual growth. We will start from sprouting and end with producing. In 2021 it might look miserable, tougher, a lot of crisis and unexpected deaths. But I prophesy **NEW THINGS** and **NOW IT SPRINGS UP** to you and your family.

Wish you a Powerful New Year.

Jonathan Suppaya
Senior Pastor

Elijah became depressed after Jezebel threatened him. He went into the wilderness and even asked God to take his life! Then he hid inside a lonely cave, but God told him to come outside. Elijah complained, "I alone am left!" (1 Kings 19:14). Yet God told Elijah he was not alone. He said there were 7,000 faithful prophets who had not bowed their knees to Baal. Because Elijah was overwhelmed by negativity, he couldn't see the facts.

We all experience discouragement and spiritual warfare. Like Elijah, we are tempted to hide in a cave and feel pitiful. But God doesn't want you isolated. He will always call you out of the dark cave. David said God is "the One who lifts my head" (Psalm 3:3). If you are isolating yourself, reach out and ask for help. Call a mentor or close friend. Crawl out of your hole and seek out someone to talk to and pray with. Don't push away people who love you. Followers of Jesus know they need close fellowship to grow spiritually. Don't be a cave dweller!

JESUS LIVES CHURCH REPORT

Greetings in the name of the Lord.

What a beginning it was in the start of a new decade. We stepped into 2020 with our theme “Enlarge My Territory”. However, 2020 was overshadowed by an unknown enemy called COVID-19. This airborne virus halted so many things in this world we could only imagine of prior to 2020.

Economies collapsed, people were losing jobs, thousands of people were dying, offices & schools were forced to closed. Most importantly, places of worship were closed under the instructions of the COVID-19 Singapore Task force committee. When we heard that Singapore was going into “circuit breaker” mode from 07th April 2020 and that all places of worship will be closed till further notice, we were taken back by surprise. We were getting ready to celebrate the 34th Anniversary of Jesus Lives Church.

When the news came, every plan to celebrate the event had to be halted and we acted quickly to mobilize the church for a worship service before the circuit breaker kicked in. We had to inform the church how it was going to be during the circuit breaker period. It was decided that our Sunday church services will be online. Recorded worships and sermons were delivered through WhatsApp to all our church members. It was a new experience for all of us. However, it didn't stop us from worshipping our living God in spirit and in truth.

Our prayers were answered when the government announced the re-opening of religious organization in June 2020 with Safe Management Plans in place. We could only hold 50 members at time. After submitting our Safe management plans to the authorities, we commenced our worship at the Crown on 28th June 2020. We were also successful in conducting 5 services for the 18th Feast of Tabernacles. Beginning of December, the whole church participated in 10 days of Daniel Fast from 1st to 10th. We ended the year with Christmas celebrations and the church participated in Virtual countdown on 31st December 2020 to step into the new year.

Although people were losing jobs & having pay cuts, we had testimonies that people were being hired into new jobs with better salary & were promoted. Our Territories were being enlarged. The Lord honoured our faithfulness and shifted our circumstances during this COVID-19 period. As we step into 2021, let's pray for God's mercy and compassion to heal this world and his people.

“The Lord is gracious and full of compassion, slow to anger and great in mercy. The Lord is good to all, and His tender mercies are over all His works.” Psalm 145:8-9.

JLC WOODLANDS OUTREACH CHURCH

THE LAMP IN THE NORTH

It is a joy to inform that Jesus Lives Woodlands Outreach Church will be celebrating its 2nd Anniversary on 20th January 2021. The last 2 years we have seen both joyful and challenging years. The joy of a new outreach church being born with a soul winning mission to reach out to those who need Christ as their saviour into their lives. Church saints mobilized themselves to serve the Lord in this area by going for house to house visits, tracting, fasting and praying, calling ups, preparing the church hall with all logistics matters and many more. People were added to God's kingdom through our outreach church each week. Many lives have been touched by the word of God and his wonder working powerful name, Jesus.

The year 2020 has also put the church in test in both faith and growth. Covid-19 struck and we had to convert all church services to online services. Yes, we did that too by not missing a single Sunday to be at the lord's presence together. The Lord kept us together in his love and strength and our faith grew even greater.

When we started attending church services again, with the new safety measures in place, we saw the manifestation of the Lord's power at our Woodlands Outreach Church. New people began to come again. Those who need the touch of Jesus and hope to live their lives again in joy. There are many testimonies to share.

Today, we have a strength of 60 people with a weekly regular attendance of 40. We are keeping on reaching out to the unsaved and the un-churched on this last mile run before the doors to the Ark is shut again. We will continue to serve the lord on the Great Commission which was given to all of us. Please pray for us for more strength and unity. Let the name of the lord be glorified even more.

His love endures forever. Amen.

CARE GROUP REPORT

Greetings in the name of the Lord,

2020 was an extraordinary year for all of us. Plagued by a virus, we had to change the way we live in this world.

Care Group meetings took place with much excitement from January to March. We had reports that unbelievers were attending the care groups which was a good sign. Unfortunately, from April we had to go into “circuit breaker” mode. That meant we could not gather in the homes every month.

It was a saddening moment for all of us. We could not meet in church and only spoke & video called each other. However, there was relief when the government announced up to 5 persons could gather in a household. As our care groups are big, we had to split into smaller groups guided by the safe management plans to hold our meetings.

Although we could not carry out our plans in 2020, we have faith that God will do miracles in 2021 to enable the care groups to grow, reach out to unbelievers and grow the kingdom of God.

I will like to encourage everyone not to lose hope despite the current situation in the nation & world. Let's give God all the honor & glory for the wonderful things he is doing amongst us.

With Love,

Pastor Alex Rajan

KIDS KINGDOM

FOR THE YEAR 2020

I thank God for this year 2020 that God has given us. In fact, He has blessed our Sunday School ministry tremendously even through this Covid-19 pandemic period.

Crown Kids Kingdom has progressed fine this year with a total number of 17 children and 7 teachers. Our theme for 2020 was Biblical Numerology where important numbers from the Bible was introduced and taught to children e.g. 2 brothers Cain & Abel, 10 Commandments and more. Children participated in doing activity sheets, played related games, did cookery and many more.

During Circuit breaker, we had to stop Sunday School in March 2020 and we conducted a fellowship session with the children via Zoom. With God's grace, church was reopened in end June 2020 and Sunday School was conducted with safety measures in place such as disinfecting classroom before and after lesson, sanitizing of hands, temperature taking, ensuring social distancing between one another etc.

I thank the Lord that even through this difficult situation, He has made a way for us to conduct events such as Children's Day Celebration, Kids Feast of Tabernacles, Christmas Party etc.

I would like to thank our Senior Pastor Jonathan Suppaya who has been giving us continuous support through his encouraging words and prayers for our kids ministry. I would also like to thank my team of teachers who is always ready for anything that is coming up and also to all the parents who have been sending your children to church without fail.

I praise our Lord God Almighty for all the blessings we have received for this year and in the coming years.

Vision:

To create an atmosphere for the congregation to worship God through music. We desire to lead the congregation into deeper worship, bringing God's people to His throne through musical excellence, creativity, and passion. Above all, we desire for God to be glorified through everything we do as a team

Goal:

To train up the next generation to take on the legacy that has been given to JLC in the area of prophetic worship.

Prophetic Worship is to reveal the future and the testimony of Jesus as the spirit of prophecy. It's a spirit led worship that breaks open the heavenly realms. We have experienced healing, deliverance and miracles and also we have received breakthroughs in our ministries and our lives. Jesus Lives Church will always have the prophetic anointing flowing wherever we go and that is why our church is known as a powerful place to worship.

THE WORD OF OUR TESTIMONY

I am thankful to our God for answering my prayer and provision during the pandemic period. He granted me a good job offer during this difficult period where many were experiencing pay cuts and struggling financially to make ends meet for their families.

I wish to encourage all to attend GGCC service to thank God , receive God words, Praise and Worship Him with our hearts that leads to intimate connection with God. The results of praise and worship - new doors will be open, spiritual bondage and strongholds will be broken and there is forgiveness of sin through repentance. **Bro Tang Leng Hwee**

Life was bitter before I knew Christ. I was a hardcore gambler who have no regards to anything or whatsoever. It was the darkest period of my life. Jesus shined a Ray of Light and guided me out of darkness. Today, I am in the light, and learn so much through Pastor Jonathan sermons and guidance. I can understand very much better and receive my blessings. Thank you GGCC. Thank you pastor Jonathan and all the people who help make this place a wonder. **Bro Tommy**

I thank God for connecting me with Pastor Jonathan through GGCC. Through his prophetic preaching and teaching every Saturday evening, I'm so encouraged and always reminded of God's incomparable loving kindness, new and unceasing mercies every morning, and His righteousness and justice, which are the foundation of His throne. I praise God for Pastor Jonathan who ministered to me, especially during the challenging times and the precious worship. All I had to do was soak in it and I'm transported into the Holy of Holies. **Sis Gemma**

Pastor Jonathan's message are full of insight and truth. Thank you Pastor for the work that you have done for this congregation, it has truly been a blessing. **Bro Bernard Tang**

GOD ANSWERED MY PRAYER

Beginning of 2020, I was excited to start my school year as I was sitting for my PSLE examinations. However, the year was overshadowed by COVID-19.

Initially, I thought it would just go away quickly as other diseases like H1N1. But then, it got worse which no one expected. 2020 was an important year in my life as I was taking my PSLE examinations. During the circuit breaker period, they had to suspend school for some weeks and conducted home based learning which was not very helpful as we can't learn much while studying at home.

When we were allowed to return to school, the teachers had to quickly go through the topics that we did during the home-based learning as some of the students did not attend the online classes. PSLE was nearing and I was praying to God to increase my knowledge and wisdom.

Almost half year had gone and I was nearing my PSLE examinations. A few weeks later, I was going to take my PSLE examinations. I did the best I could. Before the start of each paper, I prayed to God to remove my fears and give me the strength and confidence to finish the paper. Even after the exams, I kept wondering & worrying how I did, but I kept my faith in God and prayed every day. I read the bible every day to keep my fears away.

On the day of the result, I was nervous and worried. My parents prayed for me. When I eventually got my results, I did very well. I was happy to tell my parents that I did well. They were proud of me. I give my praises to the Lord who is with me every second. I would like to take this opportunity to thank my Pastors, Sunday school Teachers and my friends for the support they gave me.

Bro Jotham Shannon

MY PROVIDER

On 5th November, I was scheduled to go for my left leg varicose vein procedure. I was under the impression that it was to be done in my ankle and I would be able to recover and walk fairly quickly with slight pain. To my utter surprise, the surgery was done in my thigh leaving me completely immobilized. I was hospitalized for an additional day since there was bleeding and sadly, I could not clear my school as originally planned. I was feeling really down and depressed.

I started praying to God and messaging my aunt, family and friends. Everyone whom I reached out to started praying for me and encouraging me. I felt slightly better with their encouraging words and prayers. However, I was still disappointed that I could not complete my school on time which was something that I badly wanted. The school also told me that due to my medical condition, I will have re-do my module. There was no other alternative. To make matters worse, they did not give me any specific timeline for me to be able to re-do the module which made me even more worried as it would just drag the completion of my studies.

At the time of discharge, I told the nursing manager that I will return to work inspite of having not healed fully from the procedure. I had extinguished all my leaves for the year and I will have to go on loss of pay leaves for about 11 days which will inturn affect my finances badly. The nursing manager would not allow me to return to work and so I had no choice but to go on no pay leave, again another added stress for me.

I started praying to God fervently seeking his forgiveness and requesting him to relieve me from all this stress and restore me to where I belong. I was hoping and expecting a miracle. To my utmost surprise, my school lecturer called me and informed that I can do the missed module in Jan 2021. My aunt stepped in with a big heart and gave me sufficient funds to cover my loss of pay. I am grateful and thankful in that December, I will get my year-end bonus and I will be able to tide over this small financial issue as well.

THE GOD WHO HEALS

Exodus 14:14

'The LORD will fight for you; you need only to be still.'

In the month of October 2020, I couldn't walk suddenly. Doctor said that I had slip disc and was lack of vitamin D which had caused my bone to be weak. I was very demoralized and many around me started to tease and hurt me as I was dependent on a walking stick. I gave up on my health as it was very complicated. I started to worry a lot as I felt that I was not much of a help to others and as for myself. I was dependent on people to help me out. I thought this was the end of my life, thinking I will be wheelchair bound. Previously in 2018, I went through the same symptoms and doctors told that I may end up on wheelchair for life.

I cried in the nights alone thinking of my health, going for 3 MRIs, going through sufferings at this age etc.

As I lay in hospital for 13 days, our Lord spoke to me. I heard his words Exodus 14:14. I prayed and learnt to be still as I believed and had the faith that the Lord will work on me.

By God's grace, I walked with faith, in faith. My recovery shocked many as I walked to share my testimony to others to share what miracle the Lord has done for me in my life. Our Lord is a great and miraculous God, trust in him and you shall be delivered.

Amen. All glory to God.

GOD'S DIVINE PLANS FOR ME

'For I know the plans I have for you, declares the Lord, plans to prosper you and not to harm you, plans to give you hope and a future.' (Jeremiah 29:11) I have known the Lord since young. Nevertheless, it took me many years to accept and have a meaningful relationship with Him. At that point, I happened to attend the Celebration of Hope event held in Kallang.

I was touched by the Lord to attend a Tamil service. Subsequently, I had the desire to know the Lord in depth and to attend a church. Soon I was going through the directory of all Tamil churches. Eventually, I joined Jesus Lives Church on 26 May 2019, with the guidance of sister Aruna who is my childhood neighbour. Since then I have been attending the church regularly and have received many wonderful and meaningful messages from the Pastors and my cell group sister Mano. It is a joyful and peaceful experience to be planted in JLC. Through the kindness and mercy of our Lord, I have received many blessings from HIM. This year, while the world is undergoing turmoil with the pandemic Covid -19, I have experienced His holy hand on me with positive and impactful changes in my life.

My trust in HIS unfailing love has assured me with the promises of safety and protection from the deadly virus. With regard to my health status, there has been significant changes in sustaining and maintaining good sugar control. There has been an improvement in my eyesight too. Praise the Lord for HE has blessed me 'far more abundantly than all you can even ask or think!' (Ephesians 3:20) The good and almighty Lord has also blessed me with another unexpected positive change in my work.

I will be the Tamil Co-ordinator in my organisation to take charge of all class levels in 2021. I pray that HE will give me the courage and determination to tackle the stumbling roadblocks in my new position.

The Lord has also amazed me with many countless blessings. Indeed, I have also learnt to count my blessings and to 'Give thanks to the Lord, for he is good; his love endures forever.' (Psalm 107:1) Finally, I would like to take this opportunity to thank our Pastors for their ceaseless efforts to bring glory and honour to the Lord and to increase the well-being of the congregation and standard of our church. The greatest recognition and honour, without fail, definitely goes to our Lord Jesus for, 'Every best gift, and every perfect gift, is from above, coming down from the Father of lights, with whom there is no change, nor shadow of alteration.' (James 1:17)

Sis SUBHALAKSHMI

GOD GAVE ME MY LIFE TO PROCLAIM HIS MIRACLE & GLORY

We have read about so many miracles done by God in books and stories. Usually people might say that it is fabricated and it won't be possible in real life, but that is not true because I have experienced God's miracle in my life and his miracle is the reason why I'm alive today.

I was going through a heavy depression and was under psychiatric treatment which led me to suicidal thoughts. Finally, it took over me and I jumped from a 5 storey building. And then it happened.

I saw my own body lying on the ground, lifeless. The lifeless body was surrounded by my family members, neighbours and onlookers. Someone even said, "She's dead." and someone called the ambulance. Ambulance came and they proclaimed that I was dead. I can hear all these sayings and happenings. How do I know all this? Because I was sitting on the lap of an angel with its wings hugging me securely. It was like I was in a complete new realm. The angel was as white as snow. It did not have any identification that indicated whether it was a male or female. It was in a sitting position and we were just travelling towards the sky. I could see my own body and hear whatever that was happening, but I didn't feel any pain or neither did the angel spoke to me. We travelled across the sky and at the end of the journey; a flawless and beautiful hand gave me a hard hit on my chest. I returned to the lifeless body of mine and I began to gain consciousness. Everybody around me was astonished as I was already pronounced dead.

I was rushed to the hospital for further check in that ambulance. They did 21 x-rays to ascertain that I did not have any bleeding or fracture on my body but they did not find any injury caused by the fall. There was no bleeding too. The doctor who examined me sat beside me and asked me, which GOD I was praying to? At that time I knew it was my GOD, who was and is and will always be the one and only mighty Lord JESUS CHRIST. After that I recovered beautifully in God's grace, got baptised and serving at our Woodlands Outreach Church. I am alive and grateful to God for my life. I will give him the glory and praise all the days of my life

OUR VISION

In the month of April 2016, the Lord renewed the vision of the Church during one of my prayer time. I was in tears on the loss of my dear father, worried about the new responsibility upon me, the expectation of the people I serve and the new role as the Senior Pastor.

The Lord blessed me with a verse from Isaiah 41:10, *"So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."*

*The Holy Spirit inspired me very strongly and out came the new Vision:
We are to be a biblically functioning community of growing believers.*
